

## Librarian's report 2023

I haven't written a report for a while – there hasn't been any need. Music has been handed out and returned on time and for the most part in good condition.

However, there are two points I need to bring to your attention

1. When I added up the music hire fees for the Sondheim scores, I found that **seventeen** people had not paid. Some have admitted this at the concert and have since paid. But if you are one of these, will you please let me have £6.00 ASAP with your name and Sondheim concert on the envelope.

We charge £6.00 per hire however much or little music we use – if I have to hire a lot of music in (eg for a Christmas concert) the hire fee doesn't cover it; if we have our own copies to hire to you, that makes up the difference

Please always bring exact money in an envelope with your name on – I don't have change
2. I'm not sure how long I've been Librarian now, but it is getting more difficult as I have taken on other commitments elsewhere. The time has come for me to step down, so I need someone to take over. I will work in tandem with that person for this year, but then will have to give up altogether

Please consider carefully whether you might be able to help the Society in this way
